It is reported by the Dy Commr, Hassan Dt that all the applications have been considered before disposing of the sites to the several individuals that they have acquired by their rights by paying taxes & that some of them have applied for licenses to construct houses on the sites granted to them. 2) Certain sites are stated to have been granted at the rate of 2 annas per sq yard in all cases except at 0-1-0 per sq yard in Lue Cases and at the rate of one pice per sq yard for a Brahmin Hostel

3) The Dy Commr, after inspection of the sites is of opinion that the upset price fixed appears to be bit low & therefore suggests.

that the sites granted at 2 annas per sq yard & at six pies (one anna) sq yard be raised to Rs 0-6-0 & 0-4-0 respectively. He further requests that the suspension order may be vacated

Order under Section 194 of the Town Municipal Act

The Town Municipal Council of Hassan have disposed of in their resolution dated 29 11 46 several sites in Krishnarajapuram and Northern Extensions in Hassan Town for upset price Several petitions were received in this office complaining that their applications for sites have not been considered and the manner of disposal is irregular The President was requested in this office letter No 1 C 357/46-47 dated 16 12 46 to stay further action pending final orders in this behalf It is stated that the grantees have been put in possession of the sites before the receipt of any communication from this office The Municipal Council have hastened to place the grantees in possession

I have inspected the sites in question They are very valuable being situated on the road side and in a very healthy locality When there were so many applications and keen demand for sites these should have been sold away in public auction The poorer persons who have been granted sites cannot afford to fill up the ditches and construct good buildings on this road side The Municipal Council has not kept in view the interests of the Municipality and its finances while disposing of the sites These sites are likely to fetch large amounts if sold in public auction and the Municipality will be much benefitted

In these circumstances the resolution of the Municipal Council is suspended under Section 194 of the Town Municipal Act and all further proceedings should be stayed and the sites taken possession by the Municipality and disposed of in public auction

Sir,

Re the disposal of sites in Krishnarajapuram and Northern Extensions in Hassan Town Municipality

---

With reference to your letter No L 11001 dated 20-11-1947, calling for my opinion re the disposal of the sites in Krishnarajapuram and Northern Extensions in Hassan Town Municipality, I have the honour to state as follows -

About more than 100 applications were received from time to time praying for sites in several places in the Town Many of these applicants appear to be poor and unable to construct decent houses and some of them are the employees in the Mysore Implement Factory for whom quarters are proposed to be constructed near the factory The Municipal President has stated that all the applications received for sites were considered by the Council while disposing of these sites, that the grantees have already acquired possession and paid taxes for 46-47 and that some of them have applied for licenses to construct houses that the Municipal council have exercised their powers under Section 38 of the Town Municipal Act according to usage and practice and that no interference is necessary in this behalf

The sites have been granted in several places and the Municipal council have fixed the upset price at 0-2-0 per square yard except in 5 cases where it is fixed at one anna per square yard The upset price for the site granted to the Brahmins' Hostel has been fixed at 0-0-6 pies per square yard

I have inspected the sites in question and the upset price fixed appears to be a bit low In these circumstances I am of opinion that the grants made by the Municipality may be allowed to stand by raising the upset price to 0-6-0 and 0-4-0 respectively as otherwise complications may arise The suspension order may be kindly vacated Records are enclosed

To

Bangalore

Dear Sir

I beg to bring the following for your kind consideration, and suitable orders in the interests of municipal funds being properly maintained

The Hassan Town municipal president in 1946 sold at upset price, many costly sites on the Salgame road in the Hassan town The sites were very hurriedly sold in a very few days time, and the buyers were called to the Municipal office and they were given to the buyers at very low prices

When the Deputy Commissioner of Hassan came to know of this, he did not approve of this sort of disposal, and made a report to Government not to sanction the sale of the above sites

The public of Hassan town also petitioned to the Deputy Commisioner that the sites were given away at a very low price, to favour the president's friends The Deputy Commissioner has rightly acted in this connection, in reporting the matter to Govt

Under these circumstances, I request you to kindly uphold the Deputy Commissioner's report and cancel the upset price sales and order for public sale

I also came to know that the Municipal Preside and one other councillor came to you recently and told that t sites were all useless and full of ruts etc and could not fetch more price This is not the fact They wan to uphold their action Kindly enquire and order for fresh sale as per Deputy Commiesioner s report

Yours Sincerely
